Comments on Statement of Reasons for Allowance

Commissioner for Patents

Dear Sir:

In response to the Notice of Allowance dated December 4, 2006, Applicants provide the following comments on the Examiner's Statement of Reasons for Allowance:

Reasons for allowance are only warranted in instances in which "the record of the prosecution as a whole does not make clear the Examiner's reasons for

allowing a claim or claims." 37 C.F.R. 1.104(e). In the present case, Applicants believe the record as a whole makes clear the reasons for allowance and therefore no statement by the Examiner is necessary or warranted. Therefore, the record should reflect that Applicants do not necessarily agree with the statement in the reasons for allowance.

For example, the Examiner recites only portions of the independent claims in the Statement of Reasons for Allowance and then makes a general characterization of the "claimed invention", which purportedly applies to all of the claims of the application. Applicants' claims should be limited only by the terms utilized therein. Thus, Applicants hereby submit these Comments in an effort to ensure that the claims are properly construed based only upon limitations that are actually present therein and/or to ensure that the claims are not interpreted so as to include any additional claim limitations that are not found in the respective claims.

Additionally, the Examiner recites to specific passages in the specification as providing support for the portion of the claims he identifies. Applicants note that at least the identified sections of the specification support the quoted language and that additional support may also be found in the specification.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact the undersigned. If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 23-1925 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,
